### 4. JULY-AUGUST ENROLLMENT POLICY

*During the summer, students' private and group classes (not including camps) at Mercer Education are invoiced and run as a prescheduled 2-month block of classes for July and August. However, in order to accommodate the summer scheduling needs of its clients, MERCER EDUCATION makes one significant exception to its cancellation policy for private and group classes (though not for its summer camps) as follows: if students clearly inform ME on their applications for private or group summer classes that they will have to miss one or more classes on certain dates (e.g., "blacking out" a week in July and two weeks in August because of vacations or schedule conflicts), ME will not charge for classes that would have occurred on those dates. However, 1) ME typically cannot accommodate very complicated requests that involve extended or multiple student absences and will have to confirm the workability of each such request on a case by case basis prior to the start of classes, 2) such accommodations will only be provided to students who have clearly listed the "blackout" dates on their applications, which they must submit with their deposit before any summer classes can occur, 3) once they have submitted their applications, students will not receive any refunds or credits for changes to those cancellation dates or if they inform ME of additional cancellation dates, and 4) there will be no refunds for additional student absences from summer classes for anyone who has already listed specific "blackout" dates on which he or she cannot attend. In other words, if you take advantage of this tuition policy exception, please realize that there will be absolutely no other refunds for absences beyond what you listed on your application to ME.*

► I am available to attend starting on (indicate date if you cannot start on July 1st): \_\_\_\_\_

► I cannot attend the July-August session on the following dates (list all dates inclusive): \_\_\_\_\_

# 5. STUDENT AVAILABILITY

▶ On the grid below, mark (✓) **ALL** time slots when you **ARE** available to attend.

▶ The more times you list, the more likely it is we can arrange a class.

▶ Indicate schedule preferences by writing 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, etc. for all the times when you are available to attend.

▶ Your classes will not commence and you will not be charged until we have communicated with you about available schedule options and you have approved the time(s) and the start date(s). If we are unable to schedule any classes, your deposit will be refunded.

▶ If on the prior pages you have requested us to schedule more than one class per week, would you like those classes to be on the same day or on separate days? \_\_\_\_\_

During the summer, most private and weekly 2-hour group classes will take place on weekday afternoons after 2:30pm and on Saturdays, though there will be some exceptions.

## How did you hear about MERCER EDUCATION?

If you heard about Mercer Education through a friend, please let us know who referred you to us (list just one friend/student's name): \_\_\_\_\_ . If that student is still attending classes at Mercer Education, that student will receive a \$30 credit (not cash payment) towards classes at ME for introducing us. Please tell your friends as well – we appreciate those referrals! Did you learn about ME through some other source (e.g., web search, newspaper ad, mailed brochure)? Which? \_\_\_\_\_

## 6. STUDENT AGREEMENT

In order to process this application, Mercer Education requires a \$200 deposit (cash or check, not credit card). Additional deposit requirements may apply for students attending summer classes, for individuals or families taking four (4) or more hours of classes per week or in other situations, in which case ME will inform those students in advance. New students must also pay a one-time \$40 non-refundable registration fee which will be included on their first bill. When a student withdraws from classes or after a student's last scheduled class, tuition deposits will be refunded according to ME's School Policies. If ME cannot schedule a class, ME will update the student as quickly as possible and return the deposit to the student.

I have included my \$200 deposit with this application. (Y/N) \_\_\_\_\_

I already have a \$200 deposit on file with Mercer Education. (Y/N) \_\_\_\_\_

3. I understand that sometimes disputes arise regarding money owed for services rendered and agree that any such disputes between MERCER EDUCATION and me will be adjudicated in King County in the State of Washington.
4. I understand that, although I and/or my child may have enrolled at MERCER EDUCATION with the hope of improving personal, professional, or academic skills and performance at work or at school, there are many factors that come to bear in such cases. MERCER EDUCATION has made no guarantee regarding results which may include tests, presentations, applications, or grades for papers, projects or classes. As such, I will not seek refunds, damages, or other forms of redress from MERCER EDUCATION on the basis of my or my child's personal, professional, or academic performance or application results in any context or venue.
