

MERCER EDUCATION

Mercer Education (ME) is a premier school providing tutoring and educational enrichment programs in language, literature, history, math, and science. We also offer academic consulting, college counselling, and admissions prep. Founded in 1999 by Eric Cohen, a graduate of Phillips Academy (Andover) and Harvard University, ME offers a unique learning environment of highly qualified teachers whose rigorous teaching methods and high standards have proven effective in helping students of all levels attain their academic goals. Through the use of its customized, challenging programs, the school has gained a solid reputation evident in our rapid growth and the consistent success of our students. Every year, ME students enter some of the most prestigious institutions of higher learning in the U.S., including Harvard, MIT, Princeton, Wellesley, Stanford, and Berkeley.

ME offers private and small group classes year-round, seven days a week. Classes are tailored to each student's schedule, ability, and educational goals. Whether students desire to improve basic skills, prepare for standardized tests, master specialized areas of study, or seek expert help with school applications, our programs enable them to gain the necessary confidence, learning skills, and performance in pursuit of higher academic or professional achievement.

SUMMER CAMPS

ME has gained recognition for its exceptional summer programs in language arts, mathematics, test preparation, and college admissions. Students are carefully assessed and attend small group courses (up to 6 students in Learning Camp, 8 students in other camps) customized to meet their academic needs and to prepare them for the challenges of the coming year.

SAT/COLLEGE PREP CAMP (entering grades 9-12)

Students receive approximately 100 hours of instruction (5 hrs a day, M-F, 9:30am-3pm) over four weeks. Classes cover SAT writing & language, reading, and math. Students further develop their writing skills as they create resumes and college application essays. Our integrative curriculum surpasses standard test prep programs and prepares students for academic success in high school as well as college.

ACT/COLLEGE PREP CAMP

(entering grades 9-12)

Students receive approximately 100 hours of instruction (5 hours a day, M-F, 9:30am-3pm) over four weeks. Classes cover ACT writing, English, reading, math, and science. Students further develop their writing skills as they create resumes and college application essays. Our integrative curriculum surpasses standard test prep programs and prepares students for academic success in high school as well as college.

LEARNING CAMP (entering grades 3-9)

This innovative program provides approximately 100 hours of instruction (5 hrs a day, M-F, 9am-2:30pm) over four weeks in language arts, math, standardized test-taking strategies, and LEGO Mindstorms (a course in robotics developed by MIT). Students (not exceeding 6 per class) gain a lasting learning experience in which they develop language, math, problem-solving, computer, and collaborative skills.

ADVANCED SAT VERBAL CAMP

(entering grades 11-12)

This program is designed for students who have scored at least 640 on the reading/writing & language section and 4/4/4 or higher on the essay section of one of ME's Practice SAT tests (or other recent SAT test). This class follows a fast-paced, intensive curriculum designed to fine-tune students' performance on the SAT. Group meets approximately 20 hours (2.5 hours twice a week, Mon/Thurs or Tues/Fri) over four weeks. Classes 3:30-6:00pm.

ADVANCED SAT MATH CAMP

(entering grades 11-12)

This program is for students who have scored at least 640 on the math portion on one of ME's Practice SAT tests (or other recent SAT test) and have previously studied an Algebra II course. Students will follow a fast-paced, intensive, academically challenging curriculum designed to improve students' performance in SAT math. Group meets for approximately 20 hours (2.5 hours twice a week, Mon/Thurs or Tues/Fri) over four weeks. Classes 3:30-6:00pm.

COLLEGE ADMISSIONS PREP CAMP

(Session II only, limited to 6 seniors)

This course is for students who wish to take charge of the college admissions process to maximize their chances of gaining access to the college(s) of their choice. Course work focuses on application essays, academic profile and resume development, college selection, strategic application planning, and interview practice. Group meets approximately 20 hours (2.5 hours twice a week, Tues/Fri) over four weeks. Session II only. Classes 3:30-6:00pm.
