DEPOSIT AND REGISTRATION FEE

1. \$40.00 one-time per family non-refundable registration fee (new students only)
2. For students/families paying by cash or check and enrolled in a substantial number of hours per week, we may require a refundable deposit, details worked out in advance, to be held until all scheduled classes have concluded.

The registration fee will be included on each student's first invoice. Please see ME's School Policies for more details about the student deposit and registration fee. To schedule classes, we must first receive your completed, signed application.

Books and Materials Many of our commonly used texts are available for purchase at Amazon.com and other vendors, and we will provide Amazon website links. For the convenience of students, Mercer Education also sells some of the books we use in our classes. There is a 15% mark-up (not including taxes) on all third-party books and materials purchased through ME.

Discounts *For private classes only*, we offer discounts as follows: a) 5% discount on 2-student or 3-student private class rates for immediate family members who are together in private classes; b) 5% discount for families with one (1) or more members enrolled for a total of four (4) or more hours* of private classes per week (i.e., this calculation does not include group classes or summer camps.) In the event that situations A and B both apply, students shall receive a 5% discount. Discounts do not apply to students attending group classes or summer camps. Discounts will only apply to private students so long as they remain eligible.

We also appreciate your referrals to the school. For each student you introduce to MERCER EDUCATION who enrolls in classes, you will receive a one-time \$30 credit to your account.** Thank you for your active support!

Class Location Prior to the Covid-19 pandemic, most of our classes were held at the school, though we occasionally sent teachers off site to conduct classes at students' homes or other locations. However, since late March of 2020, we have conducted all classes remotely via Zoom or other platforms. We anticipate that once the pandemic subsides, we likely will offer a "hybrid" selection of in-person and remotely taught classes, though the details are yet to be worked out. If a family requests in-person instruction at an off-site location (e.g., at their home), such requests will be handled on a case-by-case basis and would entail additional charges, details to be worked out prior to the start of classes.

Other Information about MERCER EDUCATION school policies Classes at MERCER EDUCATION will be charged according to the above-listed rates. Any other arrangements must be made in writing with MERCER EDUCATION'S director or office manager. Enrollment in ME's classes may start at any time and is for ongoing two-month segments of pre-scheduled classes with no refund provisions for student absences (see ME's School Policies for exceptions that allow for class refunds and enrollment on a short-term basis). Rescheduling of missed private classes is available in most cases depending on teachers' schedules, and students who miss group classes usually may attend make-up classes. For more information regarding tuition policies, cancellations, refunds, etc., please refer to MERCER EDUCATION'S School Policies and Application for Enrollment, or call the school directly for assistance. Please note that rates are subject to change. Students and their parents will be informed of any such changes.

** Note: For convenience sake when calculating discounts, discussing off-site classes, or just discussing classes in general, on this Fee Schedule as well as in MERCER EDUCATION'S School Policies, we refer to our 50-minute, 1-hour-20-minute and 1-hour-fifty-minute classes as 1-hour, 1.5-hour and 2-hour classes respectively. For example, four 50-minute classes per week would constitute "4 hours" of classes when calculating student eligibility for the 5% discount.*

*** The school can provide only one \$30 credit per referral, and it will be up to the referee to tell the school whom to credit. Referrals of immediate family members will not be eligible for the \$30 credit. Please note that this "\$30 credit" is a CREDIT for classes at Mercer Education, not a cash payment, and Mercer Education does not make cash payments for referrals.*
