4. JULY-AUGUST ENROLLMENT POLICY

During the summer, students' private and group classes (not including camps) at Mercer Education are invoiced and run as a prescheduled 2-month block of classes for July and August ending by 8/16/26. However, to accommodate the summer scheduling needs of its clients, MERCER EDUCATION makes one exception to its cancellation policy for private and group classes (though not for its summer camps) as follows: if students clearly inform ME on their applications for private or group summer classes that they will have to miss one or more classes on certain dates (e.g., "blacking out" a week in July and two weeks in August because of vacations or schedule conflicts), ME will not charge for classes that would have occurred on those dates. However, 1) ME typically cannot accommodate complicated requests that involve extended or multiple student absences and will have to confirm the workability of each such request on a case by case basis prior to the start of classes, 2) such accommodations will only be provided to students who have clearly listed the "blackout" dates on their applications, which they must submit before any summer classes can occur, 3) once they have submitted their applications, students will not receive any refunds or credits for changes to those cancellation dates or for additional blackout dates they inform of us after we have confirmed a schedule and invoiced the student. In other words, if you take advantage of this tuition policy exception, please realize that there will be absolutely no other refunds for absences beyond what you listed on your application to ME.

► I am available to attend starting on (indicate date if you cannot start on July 1st): _____

► I cannot attend the July-August session on the following dates (list all dates inclusive): _____

5. STUDENT AVAILABILITY

► On the grid below, mark (✓) **ALL** time slots when you **ARE** available to attend.

► The more times you list, the more likely it is we can arrange a class.

► Indicate schedule preferences by writing 1st, 2nd, 3rd, etc. for all the times when you are available to attend.

► Your classes will not commence and you will not be charged until we have communicated with you about available schedule options and you have approved the time(s) and the start date(s).

► If on the prior pages you have requested us to schedule more than one class per week, would you like those classes to be on the same day or on separate days? _____

During the summer, most private and weekly 2-hour group classes will take place on weekday afternoons after 2:30pm and on Saturdays, though there will be some exceptions.

6. STUDENT AGREEMENT

Students and their parents are welcome to make payments online via the payment portal on ME's website, by check via USPS or by cash or check in person. In cases when students/parents are enrolling for a substantial number of hour of classes per week but wish to pay by cash or check rather than electronically, Mercer Education may require a refundable deposit to be held until all scheduled classes have concluded. In such cases, ME will inform those students and their parents of any deposit requirements in advance. New students must also pay a one-time \$40 non-refundable registration fee which will be included on their first bill.

1. I have read and I understand the forms and brochures explaining MERCER EDUCATION'S registration fee, deposit requirements, tuition rates and late fees as well as all policies regarding but not limited to enrollment, scheduling, absences, refunds and withdrawal from classes. These forms include MERCER EDUCATION'S *Fee Schedule*, MERCER EDUCATION'S *School Policies*, and this *Summer Classes Application*. I agree to the terms and rules stated in these documents.
2. I understand that, although MERCER EDUCATION may provide me with foreign-language versions of MERCER EDUCATION'S *Fee Schedule*, MERCER EDUCATION *School Policies*, and this *Summer Classes Application* for my convenience, the English-language versions will take precedence and only these English-language versions will carry legal weight in the event of any dispute or disagreement.
3. I understand that sometimes disputes arise regarding money owed for services rendered and agree that any such disputes between MERCER EDUCATION and me will be adjudicated in King County in the State of Washington.
4. I understand that, although I and/or my child may have enrolled at MERCER EDUCATION with the hope of improving personal, professional, or academic skills and performance at work or at school, there are many factors that come to bear in such cases. MERCER EDUCATION has made no guarantee regarding results which may include tests, presentations, applications, or grades for papers, projects or classes. As such, I will not seek refunds, damages, or other forms of redress from MERCER EDUCATION on the basis of my or my child's personal, professional, or academic performance or application results in any context or venue.
5. I understand that this agreement represents the entire understanding between MERCER EDUCATION and me and may not be modified except in writing. This agreement shall be governed under the laws of the State of Washington.
